## 2010 Summer Camp

### Pre-Registration

Welcome to our third summer of fun!

Camp is from June 18<sup>th</sup> to June 20<sup>th</sup> at Camp Lutherhaven. Space is limited to 90 campers this year and we will be filling these slots in the order that the preregistrations are received and approved.

If your child will be between the ages of 10 or entering the 4<sup>th</sup> grade and 17 or will be a senior in high school in the fall, has congenital heart disease and wishes to attend camp then please fill out the enclosed form and return it to us before March 30, 2010.

If you have any questions feel free to give us a call or send us an email. Someone will always get back to you very soon.

The purpose of Beats & Rhythms, Inc. is to connect children and families affected by congenital heart disease. Through art programs, summer camp and organized activities, the children are able to focus on what that they can do without worrying about what they cannot. Our goal is to help build a solid support network of children and families growing up with similar experiences.
